Material Safety Data Sheet

Chemical Product and Company Identification

Trade Name	Springfresh Cream Type Conditioner
Manufacturer's Name	Inspiration Mfg. & Trading Co.
Address	Guangdong, China
Telephone No.	86-0769-3351624
Distributor's Name	American Amenities, Inc.
Address	8607 219 TH ST SE, Suite D-F, Woodinville WA 98072
Tel. & Fax No.	800-738-5536, fax: 425-487-2939

1. Material Identification and Information

Component chemical name	%	OSHA PEL	ACGIH TLV	Other limits recommended
Methyl papaben	0.2			
Citric acid	0.2			
Benzalkonium chloride	2			
Trilaureth-4 phosphate	1.5			
Mineral oil	2			
Imidazolidinyl urea	0.2			
Fragrance	0.4			
Water deionised	93.5			
Total	100			

2. Physical/Chemical Characteristics

Boiling point	100 degree C	Specific gravity (H2O=1)	1.02
Vapor pressure	None	Melting point	None
Vapor density	None	Evaporation rate	None
Solubility in water	Soluble	Water reactive	Not reactive
Appearance	Gold color liquid		

3. Fire & Explosion Hazard Data

Flash point	None	Auto-ignition temperature	None
Extinguisher media	Water, air-foam, and powder	Flammability limits in air % by volume	N/A
Special fire fighting procedures	None, same as the method for normal fire	LEL	N/A
Unusual fire & explosion hazards	None	VEL	N/A

8510-009-040

4. Reactivity Hazard Data

Stability	Stable
Incompatability	None
Hazardous decomposition products	None
Hazardous polymerization	None
Conditions to avoid	None

5. Health Hazard Data

Primary routes of entry	Not hazardous
Health hazards	Not hazardous
Signs & symptoms of exposure	Not hazardous
Medical conditions generally aggravated exposure	Not hazardous

Emergency first aid procedures

Eye contact	Not hazardous, but it is possible to irritate an eye ball. Flush with water enough
Skin contact	Not hazardous
Inhalation	Not hazardous
Ingestion	Not hazardous, but induce vomiting

6. Control & Protective Measures

Respiratory protection	Not required
Protective gloves	Not required
Eye protection	Not required
Ventilation to be used	Mechanical
Other protective clothing & equipment	Not required
Hygienic work practices	No special comment

7. Precautions for Safe Handling & Use/Leak Procedures

Steps to be taken if material is spilled or released	Sweep up to collect or dump
Waste disposal methods	Wastes are basically scrapped by flushing into water or inserting into land
Precaution to be taken in handling and storage	Equipment for air circulation. Avoid direct rays of the sun, sudden change of the temperature and others
Other precautions and/or special hazards	This material must be treated, following all relevant laws & regulations
NFPA rating	None known
HMIS rating	None known
